

## OUR LADY'S MESSAGE

GIVEN TO THE SEER  
RAFFAELE FERRARA FOR ALL  
HUMANITY AT NUMANA (AN),  
ITALY, ON 2ND MAY 2015

*"Dear children, with motherly love, I'm coming among you, so that you may be consoled by these times, that God has given you, by*

*letting Me come among you, because, without prayer, you can't succeed in living a path of truth. God sends Me among you because you lost the trail and you can't live a genuine prayer any more. Jesus has allowed Me to stay longer among you in order to let you rediscover all its beauty. Cheer up, My children, I know your wounds, I know all of your wounds, but you're not alone any more, therefore I'm asking you, My little Apostles, to*

*strengthen the prayers more and more, so that you be My Army. Ask everything with the heart: God will grant you it! Have faith in My coming among you, because many of you don't believe in My presence and they don't succeed in savouring My Son's Love. You, who have started, be strong in order to support all those who haven't received this gift. Pray, pray, pray for your Pastors, because many are those who are in need of your prayers. I'm exhorting you to support them so that, through them, you can become Light in the world. Thank you that, despite everything, you have the desire to meet the King of Peace. I'm blessing you all and thank you for your coming.*

Our Heavenly Mum has shown, through this affectionate gesture of love, Her gratitude for having responded to Her call! Thank you, Mother !!*
