REVEALED TO THE SEER MARIO D'IGNAZIO

**- Blessed Garden of the Most Holy Mary -

The seer tells about the Marian Apparition:

The Mother of God appears dressed in an intense golden. She has the Baby Jesus in Her Motherly arms and smiles at us all. She is full of joy and says to me:

“Be praise to the Name of Jesus! Dear children, may My love of Immaculate-Co-Redeemer fill your hearts and warm them tenderly, so that you may start to love in the purity, with simplicity. Dear children, I recall you to live the Lord's Word, to put God's Word at the center of your existence: It will be Light to your steps! Jesus and I are next to you, We bless you

and We give you Our presence: welcome Us with reverence and gratitude! Glorify the Eternal Divine Trinity for My Visitation. It 's an immeasurable grace to have Me nearby, through My Apparition. Have very pure feelings for each brother that you'll meet. Worship the Lord of lords, King of Peace, and renounce every forms of idolatry. Dear children, may the Living God wrap you in His Light and sanctify you in the power of His Love. I'm blessing you all and every "little baby" (*little statues of the Infant Jesus*). On Christmas night, that's coming, ask the gift of true peace for the world without peace. I'm always close to you, My children!"

MERRY CHRISTMAS
