Dear Reviewer,

this email summarizes information about conference QUAESTI 2018 - QUAESTI Scientific Conference - International Interdisciplinary Conference.

The online conference starts on December 10, 2018. It will run continuously during the whole next week.

As the reviewer and Member of Scientific Committee of the conference, we would like to invite you to visit the chat room, where you can find all accepted articles.

The conference is available at: [www.quaesti.com](http://www.quaesti.com).

- As the Reviewer, you have free access to the conference.
- You can comment, ask and discuss with other authors.
- You can choose your time because the communication runs asynchronously; you do not have to be connected the whole time.

We also appreciate if you send us your feedback and notes which you consider as important after the conference.

With best regards

QUAESTI Organizing Committee
